

LIVE CASINO GAMES WITH LIVE DEALERS ARE NOW AVAILABLE ONLINE AT FULL TILT

Players can now play and interact with real dealers in Full Tilt live casino games

ONCHAN, Isle of Man – September 15, 2014 – Full Tilt players can now enjoy the thrill and excitement of real, live, casino games with real, live, dealers in the Full Tilt software on their Windows computers. Players are able to play Roulette, Blackjack, Casino Hold'em and Baccarat, with the dealers being physically located in Riga, Latvia.

Full Tilt is offering players a dedicated live casino room, which is exclusive to Full Tilt players. This space has been designed to Full Tilt's unique specifications, with the room design, staff uniforms, and every detail at the high standards that players expect of Full Tilt. The Full Tilt dedicated space includes three live Blackjack tables and one live Roulette table. In addition, players are able to play at a variety of unbranded tables, which also includes Baccarat and Casino Hold'em tables.

A key feature of the experience is that players are able to chat and interact with the dealers that are running the game.

Sam Hobcraft, Director of Casino for the Rational Group. "We believe that we have created the most authentic Live Casino experience available in the market right now. When combined with some really innovative promotions, we are confident that we will quickly become market leader in Live Casino."

Launch Promotions

To celebrate the launch of these live dealer games, Full Tilt is offering two special promotions:

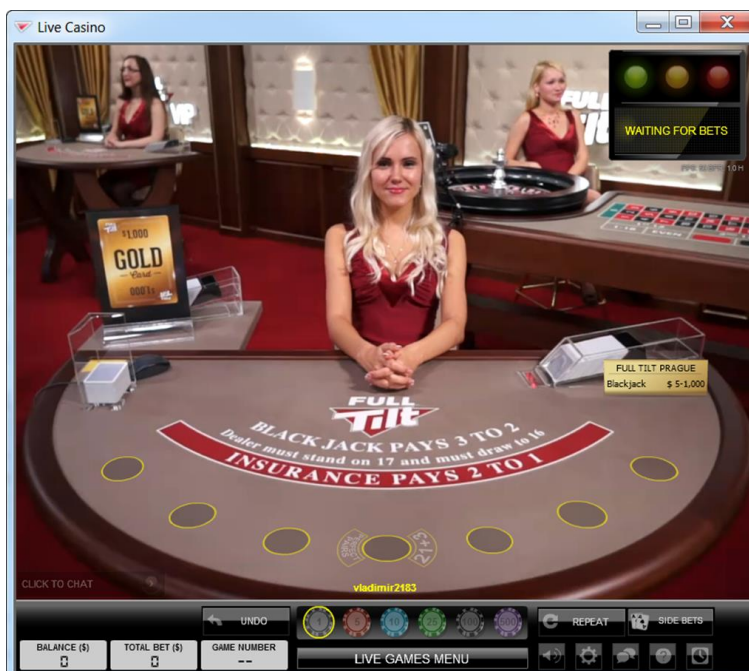

The *Gold Card* promotion will enable Full Tilt Live Blackjack players to win cash bonuses of up to \$1,000. Every week, more than 300 players will be dealt Gold Cards at Full Tilt's exclusive Live Blackjack tables. A total of \$15,000 in prizes are guaranteed each month, including four weekly \$1,000 prizes. More information is available online at <http://ti.lt/6W>

Lucky 13 will see Full Tilt refund player bets up to \$13 when the wheel hits 13 at Full Tilt's exclusive Live Roulette tables. This will turn bad luck on its head – whether player bets win or not. More information is available online at <http://ti.lt/6X>

The live casino tables are now available to players with the Full Tilt software on their Windows computer. Full Tilt expects to launch support for Macintosh operating systems, iOS and Android mobile devices at a later stage. The live casino room is operated by Evolution Gaming, the world leader in video-streamed Live Dealer gaming. All player funds remain secure and safe in segregated accounts operated by Full Tilt.
