

MICROMILLIONS RETURNS IN NOVEMBER WITH \$5 MILLION GUARANTEED

LONDON, UK – November 1 – PokerStars today announced a \$5 million guaranteed prize pool for the third instalment of MicroMillions, the popular micro-stakes online tournament series launched earlier this year. The upcoming festival will take place from November 15-25, and feature 100 tournaments with buy-ins ranging from just 11 cents to \$22.

The series will culminate with a \$22 buy-in No Limit Hold'em Main Event with a guaranteed \$1 million prize pool on Sunday, November 25 at 14.30 ET (20.30 CET). The winner of the tournament is guaranteed a minimum of \$150,000.

Unlike other online poker festivals that feature just two or three tournaments a day, MicroMillions has up to ten per day. With tournaments starting every two or three hours each day, players from all over the world get the best possible chance to take part. Check out the [MicroMillions III web page](#) for a full schedule of events.

The MicroMillions series complements PokerStars' other online festival offerings, which include the most prestigious and richest series in online poker – the World Championship of Online Poker (WCOOP) and Spring Championship of Online Poker (SCOOP) – along with the Turbo Championship of Online Poker (TCOOP).
