

POKERSTARS TO LAUNCH ZOOM TOURNAMENTS DURING MICROMILLIONS 4 FESTIVAL IN MARCH

Fourth instalment of low stakes series guarantees \$5 million across 100 events

ONCHAN, ISLE OF MAN – February 28 – PokerStars today announced the schedule for the fourth MicroMillions festival, which will incorporate 100 events from March 14-24 and guarantee a total prize pool of \$5 million. The series will also include the launch of the highly anticipated Zoom Poker tournaments on PokerStars, with two events scheduled for March 14 and March 17, guaranteeing \$75,000 and \$50,000 respectively.

[Zoom Poker](#), which debuted almost a year ago, is the fast-folding game that has taken the cash tables by storm. Now Zoom will be available for tournaments, with the same innovative option to 'Fast Fold' and instantly be moved to a new table with the shared pool of tournament players. Only in the latter stages – the final three tables – will the remaining participants play out the tourney in a standard fashion.

Team Online member Andre 'acoimbra' Coimbra, who played all 100 MicroMillions events in the debut festival last year, commented: "As part of my [\\$100 to \\$100,000 bankroll challenge](#) this year, I'll be playing a lot of MicroMillions tourneys over the next couple of weeks. It's such a fun series and it's one where players of all abilities and bankroll levels can take part to win huge prizes."

MicroMillions 4 schedule

Highlights from MicroMillions 4 include the \$22 Main Event on March 24, which has a \$1 million guarantee and at least \$150,000 for first, an opening day \$1 3x-Turbo rebuy tourney, which comes with a \$150,000 guarantee, and two \$11 Sunday Storm specials, which each guarantee \$300,000.

As with previous MicroMillions festivals, the emphasis is on providing a range of games, formats and stakes to suit PokerStars' wide range of players, with up to ten tournaments a day and start times (03.00, 05.00, 07.00, 09.30, 12.00, 14.00, 16.30, 19.30, 23.00 – all ET) to suit people from all over the world.

MicroMillions records

Since PokerStars launched MicroMillions a year ago, it has become the most popular online poker tournament series ever, with a record 1,308,994 entries in the third MicroMillions festival last November.

The biggest individual winner to date is Argentinean player 'SoyDelGlobo', who took down the MicroMillions II Main Event for \$157,218.68 after topping a field of 65,063 players.
